The Revised Treasury Bill Amendment Act 2003, Chapter 15.33, Sub-section 3(1), authorizes the Minister for Finance to borrow monies for public uses of the state by the issue of treasury bills.

The GOSL has been publicly rated by the Caribbean Information and Credit Rating Services Ltd. (CariCRIS). In June 2020, CariCRIS lowered the assigned ratings of several debt programmes of the Government of Saint Lucia (GOSL) by one notch to CariBBB- (Foreign Currency and Local Currency Ratings). The ratings on Saint Lucia continue to reflect: (1) its monetary and exchange rate stability underpinned by membership in a quasi-currency board arrangement, (2) a relatively diversified economic base, and (3) the sovereign's sound financial sector. These rating strengths are tempered by: (1) the worsened fiscal position and significantly increased GOSL's indebtedness brought on by the COVID-19 pandemic, and (2) international reserves are being put under pressure with the severe loss of tourism earnings. According to CariCRIS the assigned ratings indicates that the level of credit worthiness of the obligator in relation to other obligations in the Caribbean is adequate.

Bidding for each EC Dollar issue will commence at 9:00 a.m. and will close at 12:00 noon on each auction day and 9:00 a.m. to 11:00 a.m. for each US Dollar issue subsequent to which a competitive uniform price auction will be run at 11:00 a.m. and 12:00 noon respectively.

The interest and principal repayments are a direct charge to the Consolidated Fund.
